Important information for US shareholders

RBPlat is a public company incorporated in South Africa. The Offer will be made to RBPlat Shareholders in the United States in compliance with the applicable US tender offer rules under the US Securities Exchange Act of 1934, as amended (**US Exchange Act**), including Regulation 14E thereunder, and otherwise in accordance with the requirements of South African law. Accordingly, the Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, the offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer law and practice. The financial information of RBPlat and Implats, including any included in the offer documentation, will not have been prepared in accordance with US GAAP, or derived therefrom, and may therefore differ from, and not be comparable with, financial information of US companies.

The Implats Shares to be issued pursuant to the Offer as part of the Offer Consideration (the **Consideration Shares**) have not been, and will not be, registered under the US Securities Act of 1933, as amended (the **US Securities Act**), or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the United States, and may only be offered or sold pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and in compliance with any applicable state and other securities laws. There will be no public offer of any securities in the United States. This announcement does not constitute an offer to sell or solicitation of an offer to buy any of the shares in the United States. Further details of which US and other RBPlat Shareholders are eligible to receive the Consideration Shares, and the procedural steps required to be taken by such persons to so receive such shares,

as well as the procedures for those US and other RBPlat Shareholders who do not so qualify to receive the Consideration Shares, will be set forth in the Offer Circular.

Implats and its affiliates or brokers (acting as agents for Implats and its affiliates, as applicable) may from time to time, and other than pursuant to the Offer, directly or indirectly, purchase, or arrange to purchase outside the United States, shares in RBPlat or any securities that are convertible into, exchangeable for or exercisable for such shares before or during the period in which the Offer remains open for acceptance, to the extent permitted by, and in compliance with, Rule 14e-5 under the US Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Information about any such purchases or arrangements to purchase that is made public in accordance with South African law and practice will be available to all investors (including in the United States) via announcements on the Stock Exchange News Service (or **SENS**) of the JSE Limited.

Neither the US Securities and Exchange Commission (**SEC**) nor any US state securities commission has approved or disapproved of the Consideration Shares to be issued in connection with the Offer, or determined if this announcement or the Offer Circular is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The Consideration Shares have not been and will not be listed on a US securities exchange or quoted on any inter-dealer quotation system in the United States. Implats does not intend to take any action to facilitate a market in the Consideration Shares in the United States.

The Offer, if consummated, may have consequences under US federal income tax and applicable US state and local, as well as non-US, tax laws for RBPlat Shareholders. Each RBPlat Shareholder is urged to consult his or her independent professional adviser regarding the tax consequences of the Offer.

It may not be possible for RBPlat Shareholders in the United States to effect service of process within the United States upon RBPlat and/or Implats (each a company incorporated in South Africa), or their respective officers or directors, some or all of which may reside outside the United States, or to enforce against any of them judgments of the United States courts predicated upon the civil liability provisions of the federal securities laws of the United States or other US law. It may not be possible to bring an action against RBPlat and/or Implats or their respective officers or directors, in a non-US court for violations of US law, including the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement. In addition, it may be difficult to enforce in South Africa original actions, or actions for the enforcement of judgments of US courts, based on the civil liability provisions of the US federal securities laws.
