The board of directors of Implats ("the board"), as at the date of this notice, has stated its intention to examine methods of returning capital to shareholders in terms of the general authority granted at the last annual general meeting. The board believes it to be in the best interest of Implats that shareholders pass a special resolution granting the company and/or its subsidiaries a further general authority to acquire Implats shares. Such general authority will provide Implats and its subsidiaries with the flexibility, subject to the requirements of the Companies Act and the Listings Requirements, to purchase shares should it be in the interest of Implats and/or its subsidiaries at any time while the general authority subsists.

The board undertakes that it will not implement any repurchase during the period of this general authority unless:

- the company and the group will be able, in the ordinary course of business to pay their debts for a period of 12 months after the date of the annual general meeting;
- the assets of the company and the group will be in excess of the combined liabilities of the company and the group for a period of 12 months after the date of the notice of the annual general meeting. The assets and liabilities have been recognised and measured for this purpose in accordance with the accounting policies used in the latest audited annual group financial statements;
- the company's and the group's ordinary share capital and reserves will, after such payment, be sufficient to meet their needs for a period of 12 months following the date of the annual general meeting;
- the company and the group will, after such payment have sufficient working capital to meet their needs for a period of 12 months following the date of the annual general meeting; and
- a general repurchases of the company's shares shall only take place after the JSE has received written confirmation from the company's sponsor in respect of the directors' working capital statement.
